We will not ask for a fee, unless we think your request is unfounded, repetitive or excessive. Where a fee is necessary, we will inform you before proceeding with your request.

We aim to respond to all valid requests within one month. It may however take us longer if the request is particularly complicated or you have made several requests. We will always let you know if we think a response will take longer than one month. To speed up our response, we may ask you to provide more detail about what you want to receive or are concerned about.

We may not always be able to fully address your request, for example if it would impact the duty of confidentiality we owe to others, or if we are otherwise legally entitled to deal with the request in a different way.

You can object to any use of your personal data which we have justified on the basis of our legitimate interest, if you believe your fundamental rights and freedoms to data protection outweigh our legitimate interest in using the information. ***To request a transfer of personal data***

You can ask us to provide your personal data to you in a structured, commonly used, machine-readable format, or you can ask to have it transferred directly to another data controller (e.g. another company).
